**SMOK3D BRANDS | KHOOR™** is thrilled to announce that it has secured three (3) [Amazon Prime listings](#) in the last 30 days, all of which are eligible for 1-2 day FREE shipping straight to your door. Amazon has 300 million active users, 197 million visitors per month and 95 million Americans have Amazon Prime Membership. These three (3) [listings](#) will increase access and direct to consumer distribution for adult smokers 21 and older in the United States (population 196 million persons 21 and older). For \$11.98 (\$5.99 per pack) and \$23.49 (\$5.87 per pack), SMOK3D Branded Khoor Tobacco-Free Cigarettes will provide a [2 pack combo of Menthol, 2 pack combo of Original](#), and a [4 pack combo of 2 Menthols & 2 Originals](#).

Launched earlier this year, Khoor's nicotine-free and tobacco-free cigarettes provide an alternative for the [55% of tobacco users](#) who are seeking a safer, healthier smoking product. The DTC distribution will enable SMOK3D Brands and Khoor to achieve its mission of making tobacco-free alternatives more accessible for the world's 1.3 billion smokers.

Khoor's tobacco-free cigarettes are made with a clean, all-natural base material and are currently available in Original and Menthol flavors. Each Khoor cigarette contains less than 0.3% THC. Every pack of Khoor's cigarettes comes with 20 sticks, with MSRP ranging from \$5.99 to \$8.50 per pack retail. Despite the lack of nicotine or tobacco, Khoor tobacco-free cigarettes burn similar to traditional cigarettes, satisfying long-time smokers who seek the consistency of their smoking habit.

KHOOR™ information can be found on Amazon [HERE](#) and the Company's [website](#) at the following link (must be 21+): <https://khour.com/>

In addition to KHOOR™ being available for purchase by the majority of smokers aged 21+ in the United States through our e-commerce and various retailers throughout the US.
