Khor Tobacco-Free Cigarettes

CHICAGO, IL.--(Winsight Media LLC)-- Khor Tobacco-Free Cigarettes in Original and Menthol flavors are made with all-natural American-grown hemp. Each stick contains less than 0.3% THC. Twenty sticks come in a pack (SRP range \$5.99 to \$7.99 per pack and \$59.99 to \$74.95 per carton). The hemp-based cigarettes have a smooth, organic taste that burns similar to that of a traditional cigarette, the company says.
